

Move Along Please (Canon) by Rita Crews

What does the title mean?

Move along please is a canon that asks the hands to move in a forward manner. A canon is like a round. One hand begins and then the other comes in with the same music but at a different time.

What key is this in?

G major

Notation:

Fairly fast - this is the character and speed of the piece

C - 4/4 - time signature - 4 crotchet beats per bar

slurs - play legato or smoothly
